

Lesson no. 5 – About AdSense Dashboard

when you log in to your AdSense account the first time you will see your AdSense dashboard.

The screenshot shows the Google AdSense dashboard interface. At the top, there is a navigation bar with the Google AdSense logo and a 'Home' link. A left sidebar contains menu items: Home, Ads, Sites, Blocking controls, Reports, Optimization, Payments, Account, and Feedback. The main content area features a notification: 'We're reviewing your site' with a checkmark icon, stating 'This usually takes a few days, but in some cases it can take up to 2 weeks. We'll notify you when everything's ready.' Below this is a 'Get code again' button. A summary card displays 'Estimated earnings' with a table:

Today so far	Yesterday	Last 7 days	This month
\$0.00	\$0.00	\$0.00	\$0.00
	+ \$0.00 vs same day last week	+ \$0.00 vs previous 7 days	+ \$0.00 vs same period last year

To the right of the earnings table is a 'Balance' card showing '\$0.00' and 'Last payment \$741.88'. Below these cards is a section titled 'New feature you might be interested in' with an illustration of a laptop and a shield. At the bottom of the browser window, the Windows taskbar is visible with the search bar and system tray showing the time as 17:13 on 03-07-2022.
